Major areas of interest that you would like to have addressed during your externship:

Long-term practice goals:

In 500 words or less describe why you are applying for this position:

Required paperwork:

1. Curriculum vitae/resume, with photograph. Photo helps keeps you fresh in our minds should you apply for the internship
2. One letter of recommendation/references
3. Letter of Interest/Introduction
4. Application form

If selected, you will need to provide proof of AVMA student liability insurance.

While an externship is not required to apply for our internship program, applicants that have visited the practice have an advantage in being selected.
